Sir:

As required under 37 C.F.R. §1.133(b), Applicant submits a statement of the substance of the interview of July 28, 2005.

During the interview, the USPTO response to Applicant's request for a Corrected Filing Receipt was discussed along with the situation surrounding the same. The Examiner deemed that a Petition to correct inventorship was not needed to remedy the issue and stated that the inventorship would be corrected as set forth in the original Declaration. Accordingly, agreement was reached between the Examiner and the Applicant's undersigned representative.

The Applicant wishes to thank the Examiner for the courtesy of granting an interview to Applicant's representative.

Respectfully submitted,
